Assign Funds Glossary

Term	Definition
ITOMS	Integrated Task Order Management System
Funding Document	ITOMS module that stores detailed client funding information derived from Client Agency Official Funding Documents which are used to assign funds for orders.
ACT Number	Account Control Transaction Number. Each Order must have a unique ACT #.
Total Available	Display field in Funding Table on Fund Task Item form. The Total Available value displays the amount available on the citation without deducting any dedications – only actual obligation amounts are deducted.
Obligated Amount	Total dollar amount from each citation of a Funding Document assigned against orders. Cannot exceed Value Amount of the funding document.
Unassigned Amount	The Value Amount minus the Obligated Amount of a Funding Document.
